## POSITIVELY ARTS' PAGE TO PAGE STAGE PERFORMANCE CAMP

All performance levels are welcome! This 2-week camp brings out the best in every performer, no matter where you are in your arts journey. Have you ever wanted to star in your own movie scene, comedy skit, scene from a musical or music video? Do you want to get better at auditioning or be more confident performing in front of people? Work alongside industry professionals from Broadway, television and movies as we help you create and design performance vignettes starring you. Gain confidence and comfortability while performing onstage through our audition and performance prep classes. Whether you love to act, sing and/or dance, this camp lets you explore all sides of your creativity while learning from the best in the business. Each camp ends with an onstage performance showcase for friends and family. For more information, call 702-267-5850. Instructor: Positively Arts Location: WRRRC | AGE 8-18

### Meet & Greet

Beginner or Intermediate/Advance camps are available. Placement in the appropriate camp will be decided after campers attend our Meet & Greet with a panel of guest artists from Disney Channel, Broadway, movies and more. Meet & Greet appointments are 15 minutes in length and are scheduled from 3:00-8:00 p.m. on Wednesday, April 14 and Wednesday, April 28.

If you are a singer, dancer or actor, please prepare about 1 to 2 minutes of your favorite song, dance and/or monologue. If you are a beginner and do not have anything prepared, just come as you are so we can get to know you and your arts passions.

## CAMPFIRE KIDS

This state-licensed camp is specially designed for children 3-5 years old to participate in a variety of supervised activities. Each day is a new adventure involving arts and crafts, interactive games, special events, music, and story time. The program is offered 9:00 a.m.-3:00 p.m., Monday-Friday. Participants must be at least 3 years old on or before the week for which they are registering. Use the activity codes below to place your deposit and hold your child's space in that week's program. The balance for each week is due on the Wednesday prior to the week the child will be attending. For complete details about the program, refer to the current Youth Enrichment Handbook for Parents at [cityofhenderson.com](http://cityofhenderson.com) (search "Youth Enrichment"). Face coverings are not required.

Location: VVRC | AGE 5-12

State law requires the following completed documents be furnished before the student is allowed to attend camp:

- A health statement signed by a physician/RN
- An updated photocopy of an official immunization record
- A completed registration form
- A youth participation form
- A copy of the child's birth certificate (may be required)

# TEEN WORK

The Teen WORK (Willing-Optimistic-Respectful-Kind) junior leader program trains teens to become future recreation leaders and to provide assistance to our summer programs. Teen WORK encourages self-confidence and develops communication and leadership skills. Responsible teens ages 14 and 15 who are willing to make the commitment for one, two or all summer sessions are placed based on skills, interests, availability, and location preference. All assignments provide training, the opportunity to work with children, and the chance for teens to develop their leadership skills.

Applications and program guidelines will be available online at [cityofhenderson.com](http://cityofhenderson.com) beginning March 16. Carefully read and complete all areas of the application as incomplete submissions will not be processed. You must include one letter of recommendation with your application. Ask a respected adult who is not related to you (teacher, coach, religious leader, etc.) to provide a letter of recommendation. Submit completed application and letter of recommendation to [PKSAFEKEYAUDITING@cityofhenderson.com](mailto:PKSAFEKEYAUDITING@cityofhenderson.com) or City Hall Annex, 280 S. Water St., Henderson, NV 89015.

The registration/application deadline is May 1. Selected applicants will be contacted the week of May 3-7. Finalists are expected to attend a mandatory virtual workshop prior to the start of program, date TBD. The workshop focuses on communication, leadership skills, conflict resolution, and program policies, and provides an overview of your summer experience and expectations. A scheduled phone conference with program supervisors for parents and participating teens will be provided to cover expectations for teens' behavior and responsibilities. Participants must attend their full shift if accepted into the program. Payment is due at time of registration.

Teen WORK is available from 9:00 a.m.-4:00 p.m., Monday-Friday on June 1-Aug. 6 and takes place at all Battle Born Kids sites.

Locations: BMRC, HMGC, SSRC, WRRRC | AGE 14-15

# LIFEGUARD EXPLORERS

This innovative program introduces lifeguarding, working in the aquatic environment, resume building, employment skills, and physical fitness in a six-part clinic. You also have the chance to shadow on-duty lifeguards and water safety instructors, participate in special events, and take advantage of volunteering opportunities and fitness activities outside the aquatic environment. A lifeguard certification course is available to participants ages 16+ (or when they turn 16) who have completed a Lifeguard Explorer session at the end of summer. You must be able to swim 25 yards and easily tread water. A parent and participant meeting will be held the first day of class for about 20 minutes. A full calendar is provided at the parent meeting.

# FINANCIAL ASSISTANCE

---

## Child Care Subsidy Program

The City of Henderson works in partnership with the Las Vegas Urban League to assist parents who have children attending Kids Zone, Safekey or Teen Scene. The Urban League's Child Care Subsidy program provides subsidies for child care services to low-income families with parents who are working, attending school or training. The program operates in conjunction with the Division of Welfare and Supportive Services to improve the quality of child care and early childhood development in Southern Nevada. To contact the Urban League for information, call 702-473-9400.

## Respite

The City of Henderson also works in partnership with respite provided through the Desert Regional Center. Contact the provider of this program for assistance at 702-486-6200.

It is the parent/guardian's responsibility to provide a copy of the Child Care Subsidy certificate or respite form to the City. Providing a copy of the certificate does not automatically enroll the child. Children must be registered prior to attending any of the City's child care programs, even if the subsidy provides 100% coverage. Registration must be completed at the Youth Enrichment office, located at the City Hall Annex, 280 S. Water St.

Child care subsidies are only applied to registered service days on or after the day that a copy of the child care certificate has been received by the city, even if the "care authorized from" date on the certificate is prior to the date received by the city. Parents/guardians are financially responsible for annual registration costs and any days or percentages not covered by their current certificates. Maximum reimbursement rates may not cover all program costs, so parents will be charged the minimum difference at the time of registration. The city accepts cash, checks, money orders, Visa, MasterCard, and Discover. Make checks/money orders payable to City of Henderson.

As per our refund policy, credits/refunds/transfers are not granted for missed days. In the event the Urban League or Desert Regional Center denies the City of Henderson's claim for reimbursement, you are financially responsible for the difference. Services may be denied if a balance is placed on your account or registration has not been completed. Most subsidy programs do not cover the yearly registration charge of \$10 (applies to Safekey/Teen Scene), late charges and costs for extended stay.

## City of Henderson Financial Assistance Program

The City of Henderson offers financial assistance to Henderson residents for parks and recreation classes and programs. The Financial Assistance Program provides qualifying Henderson residents the opportunity to participate in more programs through a subsidy. The Financial Assistance Program is available only to Henderson residents who meet the current guidelines of the State of Nevada income chart.

Henderson residents may seek financial assistance for parks and recreation classes and programs by applying for the Financial Assistance Program. Applications are obtained online through the [cityofhenderson.com/FinAid](http://cityofhenderson.com/FinAid) and submitted electronically along with the necessary documentation. Incomplete applications will not be considered. It may take up to 14 calendar days to receive a status on your application. If approved, a staff member will contact you with the award amount. The financial assistance award is added to a FunCard to pay for program fees. The participant is required to pay any remaining balance of the program fee at the time of enrollment if funds on the FunCard are depleted.

To be considered for financial assistance for City of Henderson out of school care programs for children under the age of 13, for example, Safekey, Teen Scene and Battle Born Kids, patrons must first seek assistance from other funding sources including Las Vegas Urban League, Desert Regional Center or Inter-Tribal Council of Nevada. The child care certificate or wait list letter from these organizations must be included with the application.

Financial assistance recipients can register for programs through the City's online registration program ([cityofhenderson.com/register](http://cityofhenderson.com/register)) or at any recreation facility. Patrons using Urban League, respite or other Child Care Development Fund assistance must register in person at the Henderson City Hall Annex, 280 S. Water St. (adjacent to City Hall).

If you have questions, call 702-267-4AID (4243) or email [COHFinAid@cityofhenderson.com](mailto:COHFinAid@cityofhenderson.com).
